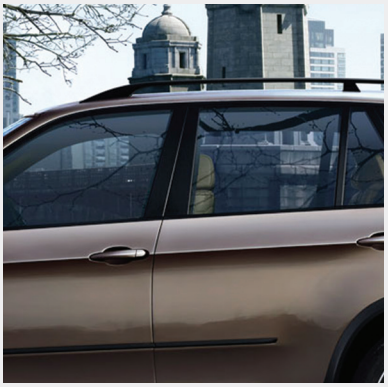
TITANIUM WINDOW TINT

the ultimate protection under the sun

TITANIUM WINDOW TINT

the ultimate protection under the sun



Having automotive window film on your vehicle in today's world is an essential consideration. Climate change issues also strongly support the need for us to be conscious of saving energy and giving ourselves and our family maximum protection from the suns damaging UV rays.

MotorOne's Titanium Window Tint offers some of the best protection money can buy, dramatically reducing heat, and glare, and helping to keep the driver more alert for safer driving.

- Helps hold shattered glass together in the event of an accident
- Creates a stylish look for your vehicle
- Helps improve driver & passenger comfort
- Reduces glare
- Up to 60%heat rejection
- Rejects up to 99% of harmful UV rays
- Comes with a lifetime warranty*

(*Lifetime warranty terms, conditions & exclusions apply.)
